OVER PRINT, COPY, SCAN AND FAX

PAPERCUT MF
FOR THE LEGAL MARKET

The majority of the legal market charges back to their clients for a variety of document services they perform on their behalf. With cost savings being one of the main pain points that the over 450,000 law firms in the U.S. face, a stable and predictable print management solutions is obviously vital to the legal market. PaperCut's complete print management solution integrates with most legal accounting and billing solutions on the market today, providing an enormous value-add to the modern legal department. PaperCut MF's Web-Based dashboard makes it easy to manage your devices, networked or non-networked, solving the need for accountability, security, and accessibility, without the complexity and cost.

ONE OF 80+ CLIENT BILLING REPORTS YOU CAN CREATE AUTOMATICALLY IN PAPERCUT.

CLIENT BILLING

PaperCut MF's powerful Client Billing feature empowers legal administrators to allocate print, copy, scan and fax expenses to their clients. PaperCut MF makes it simple with direct account selection pop-ups on all networked and non-networked devices alike.

More PaperCut Cost Savings Features:

• Account Selection Copy, Scan, Fax

• Account Selection Print

• Billing System Integration with Legal accounting solutions like PCLaw, AbacusLaw, Ajera, Tabs 3, Sage and many others.
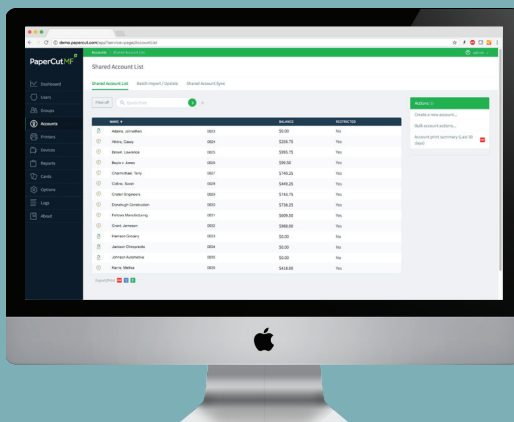

WEB-BASED ADMINISTRATION
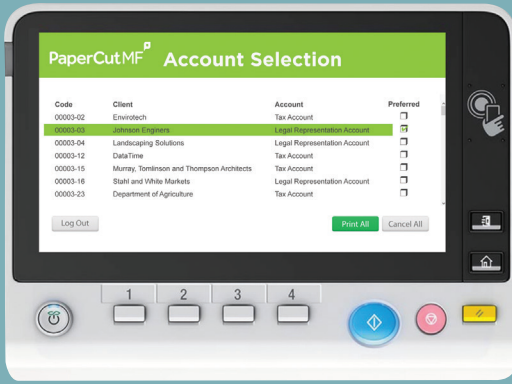

PaperCut makes it easy to manage your devices, networked or non-networked, without the complexity. Instantly see who is printing, what they are printing, when they printed, and on which device. View the central dashboard, any one of the 80 supplied reports, and the document archive.

More PaperCut Accountability Features:

• Print Release

• 80+ Reports

• Rules Based Routing

SECURE PRINT RELEASE

The legal industry is governed by many of the same regulations as other industries when it comes to PII – Personally Identifiable Information. PaperCut MF's Secure Print Release simplifies the complicated process of implementing an effective governance program.

More PaperCut Security Features:
- Secure Authentication
- Full Page Watermarking
- Print Archiving

MOBILITY PRINTING

Track and control printing from any device, on all popular platforms (iOS, Android, Chrome OS, Windows or Mac OS). Quickly locate any printer on your network by location, name, or code with the updated keyword search. Securely manage all mobile print activity throughout your network.
More PaperCut Accessibility Features:
- Integrated Scanning
- Secure Mobile Print
- Find Me Printing
